-
- 3) **Nourishing Body Butter: Prakriti Sattva Nourishing Body Butter** is a decadent, whipped blend designed specifically to pacify Vata / very dry skin. We've combined the ancient wisdom of Sesame oil with a triple-butter powerhouse to lock in moisture and leave your skin feeling velvety-soft and resilient. A little of this butter goes a long way in pacifying the Vata skin.
-

- 4) **Keshya Ayurvedic hair oil: Discover the Power Within: Key Ingredients & Benefits**

Rosemary: Invigorates the scalp, encourages growth, and strengthens roots for reduced hair loss.

Amla (Indian Gooseberry): Rich in antioxidants and Vitamin C, it combats premature greying, seals in moisture, and adds incredible shine.

Bhringaraj: A revered Ayurvedic herb known to promote strength, prevent breakage, and minimize dandruff for a healthy, balanced scalp.

Murraya koenigii (Indian Curry Leaves): Boosts Hair Growth and Strength. **Strengthens**

Roots: The leaves help strengthen the hair fiber from the root, reducing thinning and breakage. **Wakes up Follicles:** The oil helps clear away dead skin cells and unclog follicles, allowing new hair to grow more easily.

Hibiscus: Deep Conditioning: The naturally slippery mucilage in the petals acts as a deep conditioner, increasing elasticity and preventing the "straw-like" texture of dry hair.

Fenugreek Seeds: Potent Dandruff Fighter: Its antifungal properties are much stronger than most herbs, making it the go-to remedy for stubborn, flaky scalps. **Adds Volume:** The seeds help stimulate blood flow to the scalp, which can lead to thicker-looking hair over time. **Helps prevent Split Ends:** By sealing the hair cuticle, it helps prevent the ends from fraying.

 **Nourishing Blend of Oils:** Coconut oil, Jojoba oil, Avocado oil, Castor oil deeply condition, moisturize, and help protect strands for a silky, smooth texture.

Essential Oil Harmony: A symphony of invigorating scents, including Rosemary, Cedarwood, Lavender stimulates the scalp and promotes relaxation for a truly holistic hair experience.

-
- 5) **Keshya Shampoo powder: Embrace the Wisdom of Ancient Herbs:**
-

- a) **Shikakai (Soap Pod):** A natural cleanser, shikakai gently removes dirt and impurities without stripping your hair of its natural oils.
 - b) **Reetha (Soap Nut):** This natural lathering agent gently cleanses your scalp and promotes hair growth.
 - c) **Amla (Indian Gooseberry):** A powerful antioxidant, amla combats free radical damage and promotes hair health.
 - d) **Hibiscus Flowers:** Rich in vitamin C and antioxidants, hibiscus flowers add shine and volume to your hair.
 - e) **Aloe Vera:** Soothes and nourishes the scalp, promoting healthy hair growth.
 - f) **Licorice Root Powder:** Stimulates hair growth and soothes an itchy scalp.
 - g) **Neem Leaves:** Possess natural antibacterial and antifungal properties, helping to combat dandruff and scalp irritation.
- 6) **Rose Body Butter:** This natural body butter is specially formulated for skin that needs hydration. It is crafted with a blend of Ayurvedic herbs and oils that are known for their nourishing and soothing properties. Enjoy its creamy texture and natural scent – perfect for providing long lasting hydration. Made without any chemical colorants, micas and artificial fragrances. Scented with essential oils.

Alkanet root extract is known for its anti-inflammatory and healing benefits. It can help to soothe and protect irritated skin.

Licorice root extract is another Ayurvedic herb known for its anti-inflammatory and skin-soothing properties. It is also known for its ability to brighten the skin and reduce the appearance of dark spots.

Almond oil is a light and easily absorbed oil that is rich in vitamins and minerals. It is nourishing and moisturizing for the skin.

Jojoba oil is another light and easily absorbed oil that is similar in composition to sebum, the skin's natural oil. It helps to balance the skin's oil production and keep it hydrated.

Shea butter is a thick and creamy butter that is rich in vitamins and fatty acids. It is deeply moisturizing and nourishing for the skin.

Aloe vera is a succulent plant that is known for its soothing and moisturizing properties. It can help to soothe and protect irritated skin.
